Canteen Cards 101

How Do Canteen Cards Work?

1. At check-in, your child will turn in any spending money or cash they have with them to be made into canteen cards.
2. Campers will be given their canteen cards before the first canteen time.
3. When your child makes a purchase at the canteen, the appropriate amount is marked off their card.
4. At the end of your child's program, any money remaining on the canteen card is reimbursed in the Dining Hall.

Why Canteen Cards?

1. Canteen cards reduce the risk of loss. If your child loses his/her canteen cards, we can re-issue their cards.
2. Canteen cards reduce the risk of theft. Each canteen card has your child's name on it and staff know if a child is using someone else's canteen card.
3. Canteen cards eliminate handling cash during the week, making it easier for your child and our staff.

Frequently Asked Canteen Card Questions
