Come Adventure at the Woods!

July 24-29, 2011, completed grades 4-5

This is "roughing it" at it's best. Campers will learn outdoor skills and enjoy the outdoors by cooking over a fire, hiking in the woods, sleeping in wall tents, swimming in the lake and making new friends. Not only will campers get back to basics, but they'll learn to work together to accomplish the day-to-day tasks of living in the "woods". Faith comes alive as campers experience God's magnificence in the beauty of this rustic Wisconsin site. An Emergency First Responder and lifeguard will be on site at the Woods during this program.
