

Projects at Luther Park in need of volunteers:

Tuesday's are our Volunteer Day, but we welcome you at all times! If you have any spare time that you can give, we really appreciate anything you are able to help with to maintain camp.

Shalom: Vinyl base trim in basement (we have this, just need installed), painting in bathrooms (2 upstairs and 3 downstairs), trim and sheetrock to finish the doors, painting the doors, bedroom ceilings need to be painted. (This can be done around rental groups... inquire for dates)

Dining Hall: Bathroom renovations are in progress: need to be painted, new sinks and new toilets, divider walls (new or painted), baby changing table for both restrooms, lighting, baseboard heaters (all items needed). Pressure wash and stain (we have).

SPRING 2019

Our Annual Work Day is Scheduled for Saturday, April 27th ... please consider volunteering your time, invite family and friends, bring a group!

Boys Cabins: Installation of 2 sinks and faucets in 3 cabins.

8 cabins: 4 boys cabins need to be pressure washed and all 8 cabins stained (we have pressure washer and stain). This is a priority to be done ideally before May 22nd.

16 bathrooms: All need updates; counters, sinks, new plumbing fixtures, shower heads. Need vinyl baseboard in bathrooms to reduce wet sheetrock in high moisture area. (all items needed) Painting and fix sheetrock. (Cabins are 25 years old, we have 8 furnaces and 8 hot water heaters that can use preventative maintenance and possibly replacement)

We need volunteers to help with our **cabin upkeep:** Wash windows (inside and out), clean cobwebs, dust, wash walls, paint interior walls, stain exterior wood, paint exterior doors, varnish window trim, rake around cabin and clean up pine needles, polish internal wood/bunk beds, clean fans and light fixtures, clean/replace window treatments.

Aluminum Dock: At least 25 feet- We have 3 pontoons but only 1 is operational, 50 hp motor on one needs work and the other has mounting transom work needed.

Farm House: The basement has a couple of projects; 2x4 studs for walls, electrical work for lighting and outlets, insulation, sheet rock for walls and ceilings, tape and texture, paint. Some plumbing for a toilet line and bathroom sink. Heating lines need to be rearranged (hot water heating throughout). (All supplies are needed for this project- can be done anytime)

Welcome Center: Stain exterior including all trim on windows outside (we have the stain- can be done anytime).

Lawn mowing: Takes approximately 20-30 hours per week, especially in the spring. Frisbee/Golf area takes 3-4 hours and Farm house area takes 4-5 hours. Can be done during the week around kid's activities but preferred on mornings, ideally this can be done anytime Friday or Saturday and earlier on Sunday. (We have a mower to use, just need the volunteers)

Back 9 of **Frisbee/Golf course:** We have the baskets assembled but need sponsors for the back 9 holes, \$400/basket, please call if interested. Also need 18 rubber cow mats (approx. \$500) along with signage at holes (approx. \$500)

Items Needed for Donation:

Spark Kids Bibles

Aluminum Dock (at least 25 feet)

Twin bedding sets, new (in solid colors)

Pillows, new

HDMI flat screen Tv's

Life Jackets all sizes

Monetary Donations also welcome to provide the following:

Power Tools & Generator

Commercial Vacuum cleaners

Vehicles (Pick-up to haul items to our Woods)

Trailers

New window treatments in all cabins

If you have questions, would like more information or are interested in volunteering as an individual or group please call our office at 715-859-2215.
