HEALTH AND SAFETY ANSWERS:

Why do I need to fill out a Health History Form for my camper?

Luther Park cannot allow any youth to stay at camp unless a current health history form has been filled out and signed by his or her legal guardian/parent for liability reasons.

When do I need to return the Health Form?

Either mail it in two weeks before your camp date or bring the signed form with you to camp at check-in time.

Will my youth be safe? The staff is highly trained in working with youth. There will be Staff & Counselors on site that are trained in First Aid and CPR.

Why will my youth be asked to leave their cell phone at home?

We ask that all campers leave cell phones at home and use the camp phone in case of emergency while they are at Luther Park. This allows campers & parents/ guardians to communicate in a safe and controlled setting. We thank you for helping us keep camp safe.

What about insurance? Each camper is covered primarily by their own insurance and secondarily by Luther Park's Accident Insurance Policy.

IDEA!

Label everything you bring with your name so if it gets misplaced people know who it belongs to.
